

Lions,

I am sorry to inform you that the Lions of West Virginia Leadership Retreat that was scheduled for January 28 & 29, 2022, has been canceled.

Due to the ongoing pandemic and current surge of new cases each day, it was decided by the Committee to cancel the Retreat. It is best to keep everyone safe even though we will miss seeing everyone.

As soon as the Retreat is rescheduled, we will update the website and send out a notice to everyone.
