## Lion in the Spotlight

Starting June 1st, **2021, Lion in the Spotlight** will replace the 2021 DG contest. Each month a club and an individual will be recognized for their service and dedication to Lions. Clubs will no longer have to compete against each other, but rather share their monthly successes to be considered for the Lion Spotlight.

Each Spotlighted Club will be included in a year-end drawing for prizes and to qualify as the Lion Spotlight of the Year!

One individual will also receive their convention registration paid for!
